

25th November, 2010

Dear Customer,

Optigen Scientific Pty Ltd has been appointed as an official distributor for Sigma-Aldrich Pty Ltd with a focus on Sigma-Aldrich's extensive Analytical portfolio of products, specifically the Supelco & Fluka brands, in South Australia & Western Australia, as from 12th November, 2010.

Optigen Scientific is an Australian owned scientific business that provides a wide range of premium quality fine chemicals, analytical instruments, medical and scientific equipment and consumable products to a broad customer base in Australia and New Zealand. Head Office and warehouse facilities are located in Adelaide, South Australia.

Please do not hesitate to contact Mike Haynes at Optigen Scientific (+618 8240 2300 / 0420 316 104) or Ravi Prasad at Sigma-Aldrich (+612 9841 0555 / 0415 863 933) for any further assistance.

Best Regards

Kathryn Carey
Marketing Manager
Sigma-Aldrich
